

COLLEZIONE RIGA PARETE

ENNEBI HOME

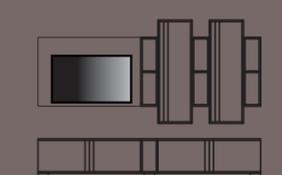

ARRICCHIRE lo SPAZIO con STILE

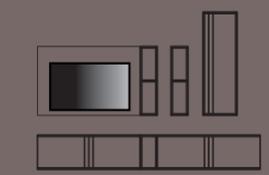

La collezione Riga Parete rappresenta un equilibrio perfetto tra design contemporaneo ed eleganza senza tempo, pensata per ambienti living moderni e sofisticati.

Il tratto distintivo di questa linea sono le righe, elemento decorativo protagonista che impreziosisce le maniglie e la boiserie, conferendo carattere e unicità ai mobili.

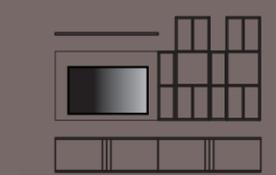

I mobili freestanding della collezione sono realizzati con frontali e strutture in finitura Tortora, una cromia raffinata e versatile che si integra armoniosamente in ogni contesto abitativo.
